

RIBBON CUTTINGS

Hospice Compassus

An April 8 ribbon cutting ceremony celebrated the grand opening of Hospice Compassus at its new location, 600 Monroe St. Hospice Compassus serves families in Kansas and Missouri. Trained volunteers provide patient care and respite for the caregiver. Volunteers can serve in the areas of patient support, bereavement support or administrative support for staff. Pictured cutting the ribbon are Sarah Wilson, executive director, and Betsy Davidson, director of clinical services.

Lincoln U. Surgical technical lab

Ambassadors participated in an April 6 ribbon cutting to celebrate the opening of the new surgical technical lab and "Surgical Technologist" Associate Degree in Applied Sciences at Lincoln University. The degree program is part of the Allied Health Extension Program and can accommodate 20 students per class, offering students a mock operating room as part of the learning process prior to clinicals. Pictured cutting the ribbon are Lincoln University President Dr. Carolyn Mahoney and Tammy Mangold.
