

Local hospice group seeking volunteers

Hospice Compassus is looking for compassionate, caring and loving volunteers. Volunteers can help with a variety of activities, including listening, visiting patients, providing grief support, running errands, making items for comfort or other behind-the-scenes activities.

After training is completed, volunteers determine how much time they can commit to hospice work. All efforts are appreciated and much needed.

Volunteer trainings are held monthly. For more information, contact Lynne Durel at lynne.durel@hospicecom.com or call 235-8690.
