The Alzheimer's Association recently held its sixth annual "Evening to Remember" at the Arnold Lakeside Club.

The evening was held in memory of Dr. John L. Tubb of Winchester. Over 135 supporters came together to honor Dr. Tubb and enjoy the evening.

According to Martha Cox, outreach assistant, the evening was a success with support from premier sponsors Bailey Manor, The Bridge at Monteagle, Southern

Tennessee Medical Center, CareSouth, Fayetteville Care and Rehab, Hospice Compassus, Golden Living Center-Mountain View, Willows at Winchester, Life Care Center of Tullahoma, and Amedysis Hospice.

Full-page program sponsors included Bennett's Pharmacy, Winchester Christian Center International, Stones River Hospital, Moore-Cortner Funeral Home - Franklin Memorial Gardens and Amedysis Home Health of Winchester and the present-

ing sponsor for the year, American City Bank.

Guests also participated in a silent auction and danced the night away to the "Jerry Anderson Ensemble."

Over \$11,000 was raised from this event that will benefit programs and services for Alzheimer families and caregivers said Cox.
